## SPRUCE MEADOWS PRIX DE NATIONS' TEAMS

### Mission Statement

*The NorCal Spruce Meadows Jumper Teams were developed with the intention of promoting show jumping in Northern California. Our goal is to send and support four complete teams of capable horses and riders.*

### Specifications

After participating in a trial system, sixteen horse/rider combinations will be given a \$1,000 grant from NorCal which is to be used towards that horse/rider's participation on their division's "NorCal – Spruce Meadows Team" at the Skyliner Prix de Nations' team event June 24th – 27th, 2010.

#### Teams Being Offered – Four Horse/Rider combinations per team

1. 1.10m      2. 1.20m      3. 1.30      4. 1.40

- All riders will be required to participate in a series of qualifiers which will be held at six different Northern California horse shows.
- For every division (1.10, 1.20, 1.30, 1.40) there will be a specific class per show that will be chosen as the "qualifier."
- All horse/rider combinations that wish to participate must compete in the final qualifier – Capital City Spring Classic Show 2010.
- ***Points will be calculated based upon each horse/riders best 3 scores.***
- After the final qualifying class at the Capital City Spring Classic Show 2010, NorCal will announce who has qualified for the four teams being offered. Each team will consist of four horse/rider combinations.
- If, at any point prior to departure for Spruce Meadows, one of the four qualifying horse/rider combinations cannot attend the Skyliner Prix de Nations, then the next highest placing horse/rider combination will be offered a position on the team.
- If a rider has competed two horses in the qualifiers for one division, that rider must ride the horse upon which he/she has qualified for the team.

**Rules**

1. Horse/rider may try to qualify for as many divisions as they like, but horses/riders qualifying for more than one team, will be required to choose the team on which they will compete.
2. *In correlation with Spruce Meadows' rules, amateurs competing for the Prix de Nations need not "own" his/her horse.*
3. Riders can nominate more than one horse per division, but ultimately, only the highest placing horse/rider combination will qualify.
4. Each horse/rider combination must be nominated separately.
5. Rider, Horse and Trainer must all be current NorCal members.
6. All grants will be distributed after arrival at Spruce Meadows.
7. In the event that a team is not filled but at least one horse/rider has completed three of the qualifying events, that individual will still receive the NorCal grant. At that point, the Spruce Meadows Committee will organize a team with whom that/those individual(s) can compete.
8. *Upon the event that an alternate horse/rider combination is NOT AVAILABLE, qualified riders may appeal to the Spruce Meadows Committee for approval to compete on an alternate horse.*
