

TO: HORSE SHOW MANAGERS

NORCAL SPECIAL EVENT APPLICATION
EQUITATION CLASSICS

NorCal is offering horse show managers the opportunity to produce our “Equitation Classics” for 2018. We offer the classics in the 6 age groups listed below.

These classes are restricted to Juniors and Amateurs who are current NorCal members.

**11 & under
18 – 35**

**12 - 14
36 & over**

**15 - 17
Pony 17 & under**

Each classic consists of two phases – a flat or gymnastic phase, and an over fence phase. The flat phase is a prescribed pattern (provided by NorCal) performed in a dressage court 66’ x 198’. In the flat or gymnastic phase each rider is judged individually and given a numerical score based on equitation and general horsemanship. This score is added to the over-fences score for an overall total. Management is free to offer either the flat/gymnastic phase or the over-fences phase first.

NorCal provides awards to 1st place in both the flat/gymnastic & over-fences phases in each age division, and also provides special awards to the overall Champion & Reserve Champion in each age division. The horse show is to provide ribbons through 8th place in all phases and overall.

If you are interested in hosting these Equitation Classics, please complete the form below and return to Lauren Wasserman by September 15, 2017.
